GATHERING CUSTOMERS JUST GOT EASIER!

Ambit Energy customers can receive a monthly check equal to all or part of their Ambit Energy bill simply by referring people they know to use our service.

Consultants who are customers may also qualify for the Free Energy program.

You must sign up for this program in Power Zone. Click the link on the Power Zone home page to register. If you don't sign up, your new personally enrolled customers won't count in the calculations toward your check.

Here's how it works:

- ▶ Refer 15 customers to switch to Ambit Energy service.
- ▶ If the average payment of your 15 customers is equal to or greater than your bill for the month, your energy supply is completely free!
- ▶ Ambit Energy will mail you a check equal to your referred customers' average payment on the energy supply portion of their bills.
- ▶ This payment continues every month as long as you maintain a minimum of 15 customers who pay their bills.
