

EARN FREE

ENERGY!

Gathering Customers Just Got Easier!

Ambit Energy customers can reduce or eliminate the amount of their energy bills every month simply by referring people they know to use our service.

Consultants who are customers may qualify for free energy!

You must sign up for this program in Power Zone! Click the link on the Power Zone Home Page to go to the registration form. If you don't sign up, your new personally enrolled customers won't count in the calculations to earn you credit on your Ambit Energy bill.

- ▶ Refer 15 customers to switch to Ambit Energy service.
- ▶ Receive a credit on your Ambit Energy bill equal to the average amount of their payments.
- ▶ This credit applies every month as long as you maintain a minimum of 15 customers who pay their bills.
- ▶ If the average payment is equal to or greater than your bill for the month, your energy supply is completely free!
